Dear Paul Cripps,

I am pleased to inform you that your company has been registered with CHAS as a result of our deem to satisfy arrangement with SAFEcontractor (SSIP member) that negates the need for you to be CHAS assessed.

The CHAS compliancy will be valid from 27th October 2010 which was your last assessment date with SAFEcontractor CHAS compliancy is valid for 2 years from this date.

We do not automatically issue a certificate of "CHAS Compliance" as this could, in certain circumstances lead to abuse of our copyright and loss of revenue. You are welcome to tell clients you have been assessed as compliant by CHAS. Our client members can verify your compliance status by checking our database or by seeing a copy of this letter.

If you feel you would like your company to have a "Certificate of Accreditation" (and become a CHAS Accredited contractor) with a CHAS Certificate and license for the use of the logo on livery and stationery, you should visit the CHAS website <http://www.chas.gov.uk/Apply.aspx#Accreditation> for further details. **Please note accreditation is only valid for a period of 12 months from your last assessment date.** This will require a commitment to an annual assessment through either SAFEcontractor or any other SSIP member.

Yours sincerely

John Murphy
CHAS Scheme Manager
